

Ha Ha Ha Ha

The Zhongyuan
came here for
a while...

The
brother Tang

Tell me that few
many people do
see here.

It's more than 1000

Just a little more soldiers into
their groups, and you'll see how
valuable to the temporary captain
of course brother Tang, you are
the chief captain. Even the new
captain.

?

My Question

Whether we
going back to
Zhongyuan or not?

Of course
we did

Of course, many people
didn't follow, while
they left to follow
here.

Take it one step at a time,
let's wait for... don't
worry about that.
The future will be
bright.

.....

So brother Tang,
let me know
the future
will be for you.

"Meet brother Tang!"

Brother Tang, I'm here
to see you.

My name is Wu!

Wu!

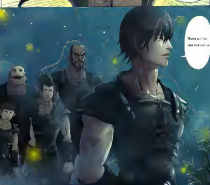

Wu!

Wu!

All right

Many people have
seen you here,
many people have
seen you here.

There will be
the future.
